### Our School Vision:

**A Christian school at the heart of the community that we serve.**

**Achieving** our goals as we are guided by God's light.

**Believing** in ourselves, in each other and in God.

**Caring** and nurturing all of God's children in our school family.

**Sharing** our aspirations through our exciting, enriched and inclusive curriculum.

***Therefore encourage one another and build each other up, just as in fact you are doing.***

1 Thessalonians 5 Verse 11

Dear Parents

On Tuesday, we were pleased to hold a STEM day in school. During this day, we collapsed our normal curriculum and the children enjoyed taking part in activities within their classes that supported Science, Technology, English and Maths. As part of this STEM day, the children in classes 3 & 4 were asked to think like engineers and invent a new piece of equipment with a purpose and the children in classes 1 & 2 enjoyed an egg rolling challenge.

Over the last two evenings, we have held our open evenings for parents. These are an important opportunity for you to celebrate your child's progress and discuss the ways in which we can work together to support your child. These were very well attended and I am grateful to all of the parents who took the time to complete one of our questionnaires. During the evening, I was asked by a number of parents about books for sale. In the past, we have only held our book fair at our autumn parents' evening. We are happy though to arrange a further book fair at our spring open evenings if there is a demand for this.

Today, the children in Class 3 performed their class worship for parents. This showcased the children's learning across a range of subjects and included two songs that were performed brilliantly. Well done to Miss Hodgson and all of the children for such an enjoyable performance.

Next Thursday (7th March) is World Book Day. During this day, the children will spend some time taking part in some special activities that promote the love of reading. We will be allowing the children to come to school in non school uniform and to dress as a book character should they wish to. There is, however, no expectation to go out and buy a costume if you don't already have one!

Periodically, we are made aware of safeguarding issues relating to the use of mobile phones. All of our children are below the minimum age to have their own WhatsApp account, however should they be accessing an account, please be aware of a national WhatsApp group that appears to be asking users to add all their contacts to create the largest group in the world. Being part of a large group of strangers poses a number of risks and therefore we felt it important to share this with our school community.

Richard Winks, Headteacher

**Tues 5th March, Yr6 Transition Workshop**  
**Fri 8th March, Class 1 Worship 9:15 & 14:50**  
**Wed 13th March, Class Photographs**

**Fri 15th March, Class 2 Worship 9:15 & 14:50**  
**Thurs 21st March, School Closes**  
**Fri 22nd March, Staff Training Day**

Please see below for some of the lessons the children have been learning in class this week:

- Class 1** This week we have enjoyed our STEM day egg rolling challenge.  
Next week we are looking forward to sharing our Class Worship with our friends and family.
- Class 2** This week we enjoyed designing and making ramps during STEM day.  
Next week we are looking forward to our guided reading.
- Class 3** This week we enjoyed practising for and sharing our Class Worship.  
Next week we are looking forward to writing a report about a mystery.
- Class 4** This week we enjoyed listening to an engineer from Ford on our STEM day.  
Next week we are looking forward to making scones in DT.

**Collective Worship Theme for next week:-** Esau forgives Jacob Genesis 32 – 33 (forgiveness in the family)

## This Week's Achievements

Congratulations to

Grace — she brought in her King  
Charles Coronation Medal

## Sporting News!

This week, we had the most amazing football match at South Hunsley. The teachers nearly lost their voices from all the shouting! The kids showed great resilience, supporting each other and pulling together as a team.

Today six of our children went to a Panathlon Ten Pin Bowling event. They came back very excited having come **first place!** They each were given a gold medal as well as a certificate for school! Everyone had such a great time and felt so proud to be part of a winning team!

Congratulations everyone!

### Our Weekly Reflection

Living out our school values of:

*Determination, Trust, Friendship and Respect*

### pudding of the Day

The puddings will vary each day. The types of puddings that may be offered are flapjack, chocolate crackle, chocolate crunch, iced sponge pudding, cookies and ice cream. Custard, fruit or a yoghurt will be available as an accompaniment.

Please note: We strictly follow specific guidelines with regard to the handling and preparation of foods and hygiene practices; however, we do use a wide range of ingredients in the preparation of food and all our meals are prepared within the same kitchen. Meals, therefore, are not guaranteed as 'allergen-free' due to the potential for cross-contamination during food preparation. We do, however, follow all recommended guidelines and risk assessments for the safe handling of ingredients containing allergens and preparation of food.
