

Dear Parents

This week, we received our SIAMS report from our inspection in January and this was sent to parents yesterday by email. Please take the time to read this. The inspection involved looking at a number of aspects of our work and the inspector spoke to a range of children, staff, parents and governors. We are extremely proud of the report and feel it gives a great celebration of all of the things that make us special as a church school.

This year, we have been pleased with the significant increase in the amount of children taking part in school sport. We are fortunate that within the South Hunsley Partnership of schools, there are a number of opportunities for interschool sport and this academic year, we have attended almost all. I am grateful to Miss McDonald and Mrs Holmes who have led each of these and also to our parents for your support in transporting your child to and from events and for showing understanding if the events run over time.

Next week, we look forward to our first class worship of this term, with Class 4 leading this for parents and the school on Friday. This will be followed by of our other classes over the next half term. Please check the newsletter for the dates.

Sporting News!

On Tuesday after school, children from Years 5 and 6 took part in a football tournament at South Hunsley School. Everyone played so well and we had great fun! There will not be a sporting event next week but look out for letters coming home after half term when they will resume.

Today, children in Key Stage 2 should have brought home a letter about an exciting opportunity for them to watch a live netball match at the Allam Sports Centre in Hull on Friday 22nd March. The match will be between the Leeds Rhinos and London Pulse!

If you wish for your child to go to this match, please return the permission slip to the school office no later than Wednesday morning. Tickets will be £10 and the event will supervised by school staff.
