Our School Vision:

A Christian school at the heart of the community that we serve.

Achieving our goals as we are guided by God's light.

Believing in ourselves, in each other and in God.

Caring and nurturing all of God's children in our school family.

Sharing our aspirations through our exciting, enriched and inclusive curriculum.

"Therefore encourage one another and build each other up, just as in fact you are doing."

1 Thessalonians 5 Verse 11

Dear Parents

On Tuesday, the children in Year 5 visited South Hunsley for a 'festival of sport'. Led by Sports Leaders from South Hunsley, the children thoroughly enjoyed taking part in activities such as dodgeball, benchball, fitness games and climbing alongside children from other local schools. The children fully engaged in all of the activities and were a pleasure to accompany on this visit.

Next week, the children in Class 3 begin nine days of swimming lessons at Haltemprice. This intensive programme of lessons is designed to really boost the children's confidence in the water. Due to the timing of the lessons, we should return to school by 3.30pm however please bear with us should the coach be running at all late.

A focus for our school is developing courageous advocacy amongst our pupils. Courageous advocacy is the act of speaking out against an issue of injustice, often on behalf of those whose voice is not heard. Courageous advocates therefore need to be agents of change who look to improve aspects of both our local and global community. Actions can involve things such as charity events or supporting the actions of other groups such as the scouts. If you feel your child has acted as a courageous advocate and has supported a positive change, please do let us know as we would like to celebrate this within our celebration worship and also newsletter.

This afternoon, it has been lovely to welcome Mrs Bamford and baby Louis into school. Mrs Bamford and Louis have visited each of our classrooms and spoken to all of our children.

I hope you have a great bank holiday weekend with your family and friends.

Richard Winks, Headteacher

Please see below for some of the lessons the children have been learning in class this week:

- Class 1** This week we have enjoyed learning about the seasons in science.
Next week we are looking forward to learning more about castles in history.
- Class 2** This week we enjoyed learning about habitats and castles.
Next week we are looking forward to persuasive writing.
- Class 3** This week we have been investigating the permeability of different rocks.
Next week we are excited to start swimming lessons.
- Class 4** This week we enjoyed playing rounders in PE.
Next week we are starting tennis

Collective Worship Theme: May Day. "The joy of the Lord is my strength" ([Nehemiah 8:10](#)).

Studying Fossils in Class 4

This Week's Achievements

Congratulations go to:

Anneka for achieving the 'Parents Player of the Match' medal in a recent football match

Freddie for getting a medal in football

Oscar for his swimming certificate

Sporting News

This week, the children in Year 5 visited South Hunsley School and took part in the "Festival of Sport" event. They participated in lots of different activities, many lead by the Year 10 sports leaders.

Our netball club has also proved to be very popular. The children continue to develop their technical skills as well as team working skills.

Next week, class 3 will be going to Haltemprice Leisure Centre to start their intensive programme of swimming lessons. They will attend every afternoon for the next two weeks.

Please note: We strictly follow specific guidance with regard to the handling and preparation of foods and hygiene practices; however, we do use a wide range of ingredients in the preparation of food and all our meals are prepared within the same kitchen. Meals, therefore, are not guaranteed as "allergen-free" due to the potential for cross-contamination during food preparation. We do, however, follow all recommended guidelines and risk assessments for the safe handling of ingredients containing allergens and preparation of food.
