Our School Vision:

A Christian school at the heart of the community that we serve.

Achieving our goals as we are guided by God's light.

Believing in ourselves, in each other and in God.

Caring and nurturing all of God's children in our school family.

Sharing our aspirations through our exciting, enriched and inclusive curriculum.

"Therefore encourage one another and build each other up, just as in fact you are doing."

1 Thessalonians 5 Verse 11

Dear Parents

On Tuesday we held our Harvest Festival at All Saints Church. Despite the weather, this was well attended and the feedback we received from those attending was excellent. Thank you to those that supported us with this and also for the generous donations received for Hull Food Bank. A substantial amount of food was collected and this will make a real difference to those in need.

Yesterday, we held our parent consultations for the parents in Year 6. These will be followed by our parents' evenings on Thursday 10th October and Tuesday 15th October for the rest of the school. An online form has already been sent in order for you to select your preference for an appointment time. Please let us know if you are unable to attend on one of these evenings and we will endeavour to find an alternative appointment.

This week, we have been pleased to take a small group of children to the MKM stadium for the first in a series of visits, organised by the charity 'Run With It'. The programme focuses on developing maths and English skills using the stadium as a stimulus. The children are attending alongside a group of children from another primary school in the Trust. The children thoroughly enjoyed their first visit yesterday and were a pleasure to take.

Earlier today, the parents of the children in Class 3 and Class 4 should have received an email relating to the visit to watch Hull City U21s next Tuesday. Unfortunately, this visit has had to be postponed as a result of Fleetwood's success in a cup competition. We are in the process of looking for an alternative fixture to attend later this term and will update you in due course.

Within this newsletter is some information from Drewtons regarding their Harvest Festival celebrations. We have been invited to take our choir to perform at this and further details relating to this will follow next week.

Finally, Sunday 6th October is World Cerebral Palsy Day. In order to celebrate this, Henry has brought in some sweets for all of the children in the school alongside some colouring sheets. Thank you to Henry and his family for doing this for us.
