Dear Parents

I hope you have had a great Christmas with your family and friends. It has been good to welcome the children back to school this week and hear all about the things they have been doing over the Christmas period. This term promises to be a busy term with a number of activities and events planned. In order to help you plan ahead, within this newsletter we have included some of the key dates for the term. Further details of each event will follow nearer the time.

As you will be aware, in the autumn term we held an open event for potential new starter parents for September. We are proud of our provision and visits to the school from potential families are always welcome. Please can I remind any family with a child due to start in September that the closing date for applications is 15th January 2023.

Finally, there have been a number of children in school with new watches following the Christmas period. Small watches are welcomed and allow the children to learn valuable skills in telling the time. Please can we ask that in line with our uniform policy, the children are not to wear large smart watches or watches capable of communicating messages in school. This includes watches that are able to pair to phones or record messages. Thank you for your support with this.

Yours sincerely,

Richard Winks
