### Our School Vision:

**A Christian school at the heart of the community that we serve.**

**Achieving our goals as we are guided by God's light.**

**Believing in ourselves, in each other and in God.**

**Caring and nurturing all of God's children in our school family.**

**Sharing our aspirations through our exciting, enriched and inclusive curriculum.**

***"Therefore encourage one another and build each other up, just as in fact you are doing."***

**1 Thessalonians 5 Verse 11**

Dear Parents,

Welcome back! I hope you have had a great summer with your family and friends. The children have returned well and it has been a lovely week in school listening to all of the exciting things the children have done over the summer. It has also been great to welcome our new starters and their families.

It has once again been a busy summer in school as we continue to invest in our facilities. Last year, both Class 3 and Class 4 had new carpets and over the summer, we were pleased to install new carpets in Class 1, Class 2 and also a corridor area. In addition we have replaced much of the fencing to the rear of the building. I am grateful to the Trust for funding these projects and to our staff team who have worked hard to prepare the building and grounds for the children's return.

Within school we follow a carefully planned programme of collective worship and this includes a celebration worship each Friday. Please remember to send in any certificates and awards from home so that we can celebrate these with the whole school. We will continue with our popular class worships for parents this year and each class will perform twice over the year in the term that they do not take part in a production. This term, Class 3 and Class 4 will be leading their class worships. Our Harvest Festival will be taking place at All Saints Church on Tuesday 1<sup>st</sup> October at 10.30am. As ever, parents, friends and families are invited to take part in this service so please add this to your diary.

This promises to be another exciting year with a number of visits and activities planned. Later this term, Class 3 and Class 4 will be visiting Burton Constable Hall as part of their Tudor topic. Further details about this will follow shortly. We are in the process of booking our residential visits for each class and will let you have the dates once these are confirmed.

Thank you to everyone who continues to bring in plastic bottle tops as part of our collection. Today, a further five large boxes were collected which we will exchange for tokens towards furniture and equipment for the school, made from these bottle tops. Please continue to send these in however please can we emphasis that we are only able to collect plastic tops. Please do not send any made of or containing metal.

I hope you have a great weekend.

Richard Winks, Headteacher

Please see below for some of the lessons the children have been learning in class this week:

- Class 1** This week we have enjoyed settling into our new classroom and making new friends. Next week we are looking forward to learning about our new topic — “How are we making history?”
- Class 2** This week we have settled well into our new class and enjoyed our mini-beast hunt. Next week we are looking forward to learning about pets in Science.
- Class 3** This week we have started learning about the Tudors. We enjoyed making gingerbread, but didn't enjoy tasting it. Next week we are looking forward to learning more about friction and forces.
- Class 4** This week we have enjoyed our Wow Day, making gingerbread and playing a Tudor game. Next week we are looking forward to learning about hockey.

*Collective Worship Theme: Creation Genesis 1:1-2:3 We are surrounded by things that Christians believe are made by God, but sometimes we take it for granted.*

## Bottle Top Recycling

**Today we had another collection of plastic bottle tops. Once we get an updated total of “earth points”, we will decide on an item to purchase. Please keep sending in the plastic tops, they really do make a difference to our school and promote sustainability.**

**PLEASE DON'T SEND METAL LIDS/PARTS AS THESE BREAK THE RECYCLING MACHINERY. THANKS!**

### This Week's Achievements

#### **Congratulations to:**

- Evie** for raising money for the Little Princess Trust and donating her hair!
- Edwin** for his football trophy.
- Alfie** for his football medals and certificates!
- Dominic** for his chess certificate!
- Sienna** for completing the Summer Reading Challenge!

### pudding of the Day

*The puddings will vary each day. The types of puddings that may be offered are flapjack, chocolate crackle, iced sponge pudding, cookies and ice cream. Custard, fruit or a yoghurt will be available as an accompaniment.*

*Please note: We strictly follow specific guidance with regard to the handling and preparation of foods and hygiene practices; however, we do use a wide range of ingredients in the preparation of food and all our meals are prepared within the same kitchen. Meals, therefore, are not guaranteed as "allergen-free" due to the potential for cross-contamination during food preparation. We do, however, follow all recommended guidelines and risk assessments for the safe handling of ingredients containing allergens and preparation of food.*

## Message from the Friends of North Cave CE School

We are always looking for new members of the school community to join us with fundraising and events organisation. If you would be interested in volunteering, please contact the school office who will forward on your details.
