WEEKLY
NEWSLETTER

7th March 2025

Dear Parents,

Yesterday, it was wonderful to see so many children attending school in their costumes as part of our World Book Day celebrations. The children shared these as part of a special collective worship in the morning. Reading is an important skill and we actively encourage all children to develop a love of this.

Today you should have received an email inviting you to our parent evenings on Wednesday 19th and Thursday 20th March between 4pm and 7pm. These are an important opportunity for you to meet your child's class teacher and celebrate your child's achievements so far this year. As ever, your child is welcome to join you for the appointment should you wish. If you are unable to attend on these dates, please contact the school office and we will endeavour to find a mutually convenient time.

We look forward to class worship and enjoy seeing the children showcase their learning. Today, the children in Class 1 performed their class worship to the school alongside parents and friends. The children spoke and sang confidently and it was a pleasure to watch. Our next class worship takes place on 28th March when the children from Class 2 will be performing.

Next Friday, the children in Class 4 will be visiting Brough Primary School to watch a performance of 'The Tempest', performed by the Royal Shakespeare Company. This is a great opportunity to watch a professional performance alongside children from other South Hunsley Partnership schools. There will also be an evening performance for families should you wish to attend. Details on how to obtain tickets are included within this newsletter.

Den Bookings and Account Balances

A huge thank you to all the parents who have topped up their ParentPay accounts this week. This has made a huge difference to our overall financial position. May I ask again though, for those parents whose accounts remain in arrears, that payments are made as soon as possible to bring accounts back into credit.

Please also remember that school meals and Den places should be paid for (and Den places booked) in advance. The number of children accessing the before and after school clubs are increasing and places can only be guaranteed if they have been booked. If you find it difficult to book through ParentPay, please let me know and I can do this for you. As always, if you are having difficulty paying, please contact the school office in confidence.

Thank you, Nicola.

THE TEMPEST

Following the success of last year's Romeo and Juliet, the latest in the Royal Shakespeare Company's series of First Encounters with Shakespeare productions makes Shakespeare's play about families, magic and forgiveness relevant for a new generation of theatre-goers.

This 80-minute version of The Tempest uses an edited version of the original play to create the perfect first introduction for young people aged 7-13 and their families.

A perfect storm brings a feuding family and a king together on a magical island. When Prospero escaped Milan with his daughter years ago, the chance to return didn't ever seem possible. Now ruler of a magical island, Prospero has his chance: as the King of Naples and Prospero's estranged sibling Antonio, sail close to the island. Will Prospero take revenge, or will all be forgiven and forgotten?
