 @NorthCavePS

Dear Parents,

Within school today, we focused upon remembrance and as part of this, held a special collective worship at 11am. The two minute silence was perfectly observed by all of our children. In addition to this collective worship, we also welcomed parents and friends on to site for our Class 4 class assembly, also focusing upon remembrance. Our next class assembly takes place on Friday 18th November and will be led by Class 3.

As you will be aware from our last newsletter, we are pleased to be hosting a weather station provided by the University of Hull on our site. The data from this can now be found live by visiting our school website homepage.

Next week, we will be launching 'switch off fortnight' with the children. This encourages the children to help the environment by switching off devices when not in use. Throughout the day, we will be encouraging the children to do this and will be discussing with the children the reasons why. By teaching these good habits, it is hoped that the children will continue these at home.

We are often asked for class lists of names by parents for things such as Christmas cards or party invitations. Having sought advice, we have made the decisions that moving forward, we will be happy to give out a list of first names (and surname initials if needed if there is more than one child with the same name) on request. This ensures no child is accidentally missed from the distribution of things and is using information that is already in the public domain and could be produced by parents and children from memory already. We recognise that some parents may not wish their child to appear on these lists. If so, please contact the school office by Friday 18th November so that we can ensure that your child is not included.

Next Friday is Children in Need Day. The children will be taking part in a range of themed activities and are invited to come to school in non-uniform. We will be collecting donations for this valuable cause however we are mindful of the pressures on families at the moment and therefore we will not be setting a minimum donation. All donations are voluntary.

Yours sincerely,

Richard Winks

## DATES
