### Our School Vision:

**A Christian school at the heart of the community that we serve.**

**Achieving** our goals as we are guided by God's light.

**Believing** in ourselves, in each other and in God.

**Caring** and nurturing all of God's children in our school family.

**Sharing** our aspirations through our exciting, enriched and inclusive curriculum.

*"Therefore encourage one another and build each other up, just as in fact you are doing."*

**1 Thessalonians 5 Verse 11**

Dear Parents,

Welcome back to the summer term and hopefully some warmer and drier weather! The children returned on Monday to our 'Wow Day' across school. Introduced this year, 'Wow Days' take place at the start of each half term and are an opportunity for the children to be fully immersed in the topic that they will be studying in geography or history. For the children in Class 1 and Class 2, this meant thinking about their topic of 'monarchs' and for the children in Class 3 and Class 4, thinking about life in Ancient Greece.

The summer term is always a very busy term with events such as statutory testing, transition events, sports days, residential visits, class worships and productions. We are in the process of finalising the dates for these activities so please keep checking the newsletter where they will be listed.

As you are aware, most activities and events are paid for through Parent Pay. For a small school, it is really important that payments are kept up to date. Please support us with this by ensuring that accounts do not fall into a deficit. We will soon begin sending letters to parents where balances are a cause for concern and balances by text when they are not cleared regularly thereafter. As ever, please speak to myself or the school office in confidence if you are experiencing financial difficulties.

Last night, I met with the Friends of the School. They are already planning an exciting programme of events for this term, including a summer disco and summer fair. I am grateful to them for their continued support of our school.
