Our School Vision:

A Christian school at the heart of the community that we serve.

Achieving our goals as we are guided by God's light.

Believing in ourselves, in each other and in God.

Caring and nurturing all of God's children in our school family.

Sharing our aspirations through our exciting, enriched and inclusive curriculum.

"Therefore encourage one another and build each other up, just as in fact you are doing."

1 Thessalonians 5 Verse 11

Dear Parents,

This week has been another really positive week in school as the children settle into the new term. It has been great to see them playing together so well on the front playground and also the back playground and field. We are in the process of reviewing the play equipment we have and will shortly be consulting with the children about extra equipment they would like to play with.

Last year saw a significant increase in the amount of clubs and activities that we offer outside of our daily curriculum. This week has seen our music lessons restart. These include a whole class strings lesson for the children in Year 4 alongside a range of additional small group tuition. Please contact the office if you want to know more about how your child can become involved in the small group tuition.

Alongside our music lessons, we will also be restarting our school choir on 23rd September and you should receive a separate letter relating to this. In addition to this, we will soon be restarting our range of sporting lunchtime clubs.

Attendance in school is important if children are to fully benefit from all that we have to offer. Please can I remind you to contact the office if your child is unable to attend school due to illness. As previously, we are unable to authorise term time holidays and please be aware that these may attract a fine in line with Government policy.

PARKING PLEA—PLEASE NOTE

Please be considerate when parking near the school when picking up and dropping off children at our school. Unfortunately, we have received complaints from local residents who claim parents of children at North Cave CE Primary School have been parking in a manner that obstructs their driveways. Many thanks.
