WEEKLY  
NEWSLETTER

18th July 2025

Dear Parents

Today, we reach the end of a very busy term and academic year. The final week has been really enjoyable with our disco, thank you service, teddy bears picnic for our new starters and also our year 6 leavers' events. Today, we have marked the end of term with our leavers' collective worship, attended by family and friends of the children in Year 6. During this, the children performed several songs and shared their special memories of their time at our school. It was a lovely end to their time with us.

Over the summer, there will be several building projects taking place in order to improve our provision. Within Class 1, we have already begun work improving the toilets and cloakroom area ahead of a new door being created to the side of the building to create a free flow play space for the children in Class 1. In addition, the office is being remodelled. We look forward to completing these projects in time for the children's return in September.

Today we say goodbye and good luck to the Year 6 children who will be leaving us for pastures new in September. Each of them has brought so much to our school and we will miss their hard work, kindness and humour. They have been a great year group to work with and I wish them well for the future where I know they are all prepared and destined to do well.

Today we also say goodbye to Mrs Johnson who leaves her role in our school office. Before she left, she presented each child with a small gift. We will miss Mrs Johnson and wish her well in her new adventure in Spain.

Finally, thank you to everyone in our school community for all of your support this year. I am extremely proud of our school and believe it is a special place to work and learn. This is a tribute to our children, our staff, our governors and our families who all work together for the benefit of our children. I hope you have a great summer with your family and friends and we look forward to seeing you all in September.
