Our School Vision:

A Christian school at the heart of the community that we serve.

Achieving our goals as we are guided by God's light.

Believing in ourselves, in each other and in God.

Caring and nurturing all of God's children in our school family.

Sharing our aspirations through our exciting, enriched and inclusive curriculum.

Therefore encourage one another and build each other up, just as in fact you are doing.

1 Thessalonians 5 Verse 11

Dear Parents

As you will be aware, on Tuesday we welcomed an inspector to our school to lead our SIAMS (Statutory Inspection of Anglican and Methodist Schools) inspection. This inspection focuses on the church aspects of our school and the way in which our vision drives our work and enables the school to live up to its foundation as a Church school. Thank you to everyone who took time to speak with our inspector. We await the final report from this inspection and will share this once it becomes available.

Following Christmas, it has been good to see so many children come to school with new watches. Telling the time is an important skill and we are happy to see children wearing a small watch. Please can we ask that smart watches, watches that are able to convey messages or contain a camera are not worn in school. Thank you for your support with this.

This year, alongside supporting our regular charities such as Children in Need and Dove House, we have decided to have a focus charity to learn more about and support. Following conversations with the children, the School Council have decided that we should support Yorkshire Air Ambulance. We will be talking to the children to encourage them to think of fundraising events that we could take part in.

Yours sincerely,

Richard Winks
