Our School Vision:

A Christian school at the heart of the community that we serve.

Achieving our goals as we are guided by God's light.

Believing in ourselves, in each other and in God.

Caring and nurturing all of God's children in our school family.

Sharing our aspirations through our exciting, enriched and inclusive curriculum.

"Therefore encourage one another and build each other up, just as in fact you are doing."

1 Thessalonians 5 Verse 11

Dear Parents

This week, parents of new starters for September 2024 should have received their allocation of a school place. This is an exciting time as families prepare for the next step in their child's learning journey. We will shortly be contacting all parents whose children have been allocated a place with details of our transition programme. We are very much looking forward to getting to know our new starters and their families.

As we enter the summer term we also accelerate our transition activities for our Year 6 pupils. This week, we were pleased to welcome several staff from South Hunsley School to talk to the children about life at South Hunsley and answer any questions that they may have. It's important that the children's transition to their secondary setting goes smoothly so please do contact us if you have any questions that we may be able to help with.

During this term, the children in Year 5 will be taking part in the Archbishop of York Youth Trust Award. This award always proves popular with the children and encourages them to think about their community and how they can make a positive change. The children have chosen to focus upon traffic within the village and this week were pleased to welcome Mrs Elliott from the Parish Council to listen to the children's views about things that could be done. I am grateful to Mrs Elliott for giving up her time to meet with the children.

Ahead of the next academic year, we are in the process of establishing demand for music lessons for stringed instruments. The children had a demonstration of these at the end of the last half term. If you would be interested in your child learning a stringed instrument and have not already done so, please let the office know.

Yours sincerely

Richard Winks

Sporting News

Following the popularity of our lunchtime running club, all of the children have this week had the opportunity of taking part in a mini London Marathon. Well done to all of the children that took part!

Next week we are looking forward to our netball club starting on Monday and our Year 5/6 kwik cricket event on Tuesday. Emails will be sent today to let you know if your child has been successful in gaining a place at these two activities.
