Dear Parents

This week has been a very cold week in school with temperatures well below freezing on several of the days when the children have come to school. When it is icy on the playground, we often allow the children on to the field at playtimes and lunchtimes. This is safer and ensures that they are able to have more space to play. It can however mean that the children bring mud back in to the building as the ground starts to thaw. Please can I remind all parents of children in Classes 2,3 and 4 to ensure that their child has a suitable change of footwear for indoor use.

As part of our commitment to helping our children travel to school in a safe and sustainable way, on Monday, we were pleased to welcome visitors from East Yorkshire Council to lead Pedestrian Training for the children in Class 3. The children were taught about how to travel on foot and cross the road safely in a range of different scenarios.

Each year, as a school tradition, we provide each of our new starters with a small Christmas tree to plant and take home. Unfortunately, we were unable to do this before Christmas as the exceptionally cold weather meant that our supplier was unable to dig these up. This week, we received our delivery of trees and therefore the children planted these on Wednesday. We look forward to hearing how these have grown as the children move through the school!

Yours sincerely,

Richard Winks
