Our School Vision:

A Christian school at the heart of the community that we serve.

Achieving our goals as we are guided by God's light.

Believing in ourselves, in each other and in God.

Caring and nurturing all of God's children in our school family.

Sharing our aspirations through our exciting, enriched and inclusive curriculum.

"Therefore encourage one another and build each other up, just as in fact you are doing."

1 Thessalonians 5 Verse 11

Dear Parents,

This week, the children in Reception have taken part in the Reception baseline. This is done on a 1:1 basis with Miss McDonald and the children take part in a range of activities that test their initial knowledge in English and Maths. There is no formal score reported for this however this allows progress to be measured from the baseline. The children always enjoy taking part in this and see it as a special time with their class teacher.

Yesterday, we were pleased to welcome two visitors to school to talk to the children about plans for redeveloping the play area in North Cave. The children were initially consulted last year and it was great for them to see how their ideas have been taken on board and developed. We look forward to continuing to support this exciting project.

On Thursday 3rd October, we have arranged for the Year 6 parent consultations to take place. These take place during the day and provide parents with an extended appointment with Mrs Holmes to discuss the children ahead of this important year and their transition to secondary school. Letters will be sent out for this early next week.

On Thursday 26th September, flu immunisations will be taking place for the children in school. Please ensure that you have completed the online consent form if you wish your child to have this.

Following parental requests, we have added the dates of our Christmas productions to our newsletter this week. Though letters will not go out for tickets until next half term, this allows you to forward plan your diary!
