 @NorthCavePS

Dear Parents,

Today we reach the end of the first half term of this academic year. All of the children have worked extremely hard and it has been particularly pleasing to see all of our new starters settle so well into school life. We are already looking forward to the next half term as we begin the busy run up to Christmas!

This week, we have been pleased to launch a range of new play equipment for the children to use at playtimes and lunchtimes. Each class now has a dedicated set of equipment that they can take outside to play with. The equipment has proved extremely popular and I am grateful to Miss Stipetic for arranging this for us.

When we return to school after half term, we will be visited by a photographer from Wrates who will be taking individual photos which families will have the option of purchasing. Please can you let the office know by Tuesday 1st November if you do not want your child to have their photograph taken. As soon as we receive the sample photographs, these will be sent home to parents. Additionally, there will be an opportunity for families to have their photographs taken after 3.30pm. Further information will be sent after the half term holiday.

We are often asked about ways in which parents can support learning at home. Within school, we follow the Whiterose maths scheme which is popular with both children and staff. Whiterose have launched an app called 1-Minute Maths which we believe will support our children in developing their number confidence and fluency. Further information about the app can be found by visiting <https://whiterosemaths.com/1-minute-maths#download>

I hope you have a great half term with your family and friends.

Yours sincerely,

Richard Winks
