Our School Vision:

A Christian school at the heart of the community that we serve.

Achieving our goals as we are guided by God's light.

Believing in ourselves, in each other and in God.

Caring and nurturing all of God's children in our school family.

Sharing our aspirations through our exciting, enriched and inclusive curriculum.

Therefore encourage one another and build each other up, just as in fact you are doing.

1 Thessalonians 5 Verse 11

Dear Parents and Carers,

This week has been a great week in school as the children have fully immersed themselves in our festive activities.

On Tuesday, we held our Christmas Service at All Saints Church. This was, as ever, a really lovely service with the children performing a range of songs alongside readings telling the Christmas story. We were also treated to Reverend Worsdale's 'Chocolate Nativity'. It was great to see so many friends and family supporting us in this service, with the church almost full. Thank you to Reverend Worsdale for once again making us so welcome and for also providing a small chocolate Santa for each of the children.

On Wednesday, the children took part in the 'Rudolph Run' in aid of Dove House Hospice. This involved running around the field ten times to Christmas music, wearing antlers and red noses donated by Dove House Hospice. Please remember, any sponsorship money, no matter how small, makes a difference and should be sent to school by Friday 12th January 2024.

Following our Rudolph Run, the children took part in their Christmas dinner, expertly prepared by Ms Hurst and Mrs Miller. It is not easy cooking in excess of one hundred Christmas lunches but they did a fantastic job.

Yesterday, we were delighted that Father Christmas was able to find time to park his sleigh here and surprise the children with a visit during Collective Worship. All of the children should have brought home a small gift from his visit.

Today, we are sad to be saying goodbye to Miss Robinson who has been working with Class 2 this term. Miss Robinson joined us for this term as part of her teacher training and she leaves for her second placement after Christmas. We wish her well for the future and know that she will be an excellent addition to the teaching profession once she has completed her course.

Finally, school closes today for the Christmas holidays. This later finish means that the children return to school on Tuesday 9th January 2024 following a staff training day on the Mon day. I hope you have a happy and relaxing Christmas with your family and friends.

Sporting News!

It has been fantastic this term seeing so many children representing our school and participating in a variety of sporting events. All the children that have represented our school, did so with great pride and have shown great teamwork and determination. This was celebrated in school today with all children who represented the school at a sports event receiving a North Cave Primary School medal. We look forward to attending more events next term.

On Wednesday of this week, we had a really exciting day which began with our 'Rudolph Run', raising money for Dove House Hospice, followed by Christmas dinner. It was brilliant to see all the children participating in the event, running, walking or skipping around the field with their red noses and antler ears. Well done everyone!
