WEEKLY  
NEWSLETTER

22nd November 2024

Dear Parents and Carers,

This week, the repairs to the kitchen have started and we are pleased that these are nearing completion. A thorough deep clean is scheduled for next week and we anticipate reopening the kitchen on Thursday. For next week, please continue to preorder dinners in order to support us whilst we move back to using our own facilities.

Earlier in the week, we were pleased to welcome Mr. Anderson to our school community as our new caretaker. He brings significant skills and experience to this area and we are really looking forward to the positive impact we know he will bring to our school.

Within our school, we celebrate achievements in a number of ways and today we have been pleased to award 67 excellent attendance certificates for the first half term. As you may be aware, we recognise attendance achievements on a half-termly basis, with gold, silver and bronze awards presented at the end of each term. This system not only acknowledges current success but also encourages sustained attendance throughout the academic year.

Governance is extremely important in a school and I would like to draw your attention to an important opportunity within this newsletter. We are currently seeking new governors to join our dedicated team. Governors play a crucial role in shaping the strategic direction of our school and ensuring the best possible outcomes for our children. If you are interested in this rewarding position or would like more information, please speak with me directly or contact the school office. Your unique perspectives and skills could be invaluable in supporting our school's ongoing development.

Alongside this newsletter, you should receive a leaflet from South Cave Football Club regarding their foodbank collection. Last year, the club did an excellent job of collecting food for East Yorkshire Foodbank. Over the coming days, many houses locally will be receiving a leaflet regarding a doorstep collection by volunteers from the club. Our school has once again agreed to support this valuable cause by acting as a collection point should you wish to donate this way. Last year's collection produced a huge amount of food for the foodbank. It would be great if we could support the club in surpassing last year's great effort! Please can any donations be sent into school by Friday 29th November.

I hope you have a great weekend.

### Could you be a School Governor?

We are looking for several new Governors to fill vacancies on our Governing Body. We need people who are willing to help in our school's development and contribute to decisions that can directly affect every pupil. Governors take an interest in all aspects of the school and its work and are an essential part of school governance.

Meetings are held four times a year, and training is given, so you don't need any previous experience of education or meetings. Most important is a commitment to helping our school and its pupils be the best that they can be.

We know parents are busy people and that your time is precious but your contribution can make a real positive contribution to the wellbeing of the school and its success. If you would like to find out more about the work of the Governors please get in touch via the school office and we would be very happy to answer any questions and talk informally about what the role entails.

**We would be grateful if you could let us know of your interest by Friday 6th December.**
