Dear Parents

Today we reach the end of the first summer half term. Though it has been a short half term, it has been really busy with lots of great memories. As ever, the children have worked really hard, enjoyed time with their friends in the lovely sunny weather and have been a pleasure to work with. Thank you to all of the parents that attended our meeting yesterday evening ahead of our Class 4 residential visit to PGL at Newby Wiske. This promises to be a really exciting visit and I know how much the children and staff are looking forward to it. The medical forms and kit list were sent home yesterday evening. Please can you ensure that all medical forms are returned on our first day back at school on Monday 2nd June.

On our return to school, we have two statutory assessments to complete. During the week commencing 9th June, we will be administering the multiplication tables check to the children in Year 4. This is an on-screen check consisting of 25 times table questions up to 12 x 12. The children have 6 seconds to answer each question. The children have already accessed many online resources practising their tables and therefore the children are well prepared for this.

In addition, in the week commencing 9th June, the children in Year 1 will be participating in the phonics screening check. Again, the children are well prepared for this and the format of the assessment. A parents meeting will be held on Monday 2nd June at 3.40pm to explain the format of the assessment.

Finally, as you are aware, we were sad to say goodbye to Mrs Revell who left our school yesterday after nine years at the school. We would like to thank Mrs Revell for all she has done whilst with us and wish her well for the future.

I hope you have a great half term with your family and friends.

Our School Vision

A Christian school at the heart of the community that we serve.

Achieving our goals as we are guided by God's light.

Believing in ourselves, in each other and in God.

Caring and nurturing all of God's children in our school family.

Sharing our aspirations through our exciting, enriched and inclusive curriculum.

"Therefore encourage one another and build each other up, just as in fact you are doing."

1 Thessalonians 5 Verse 11
