Our School Vision:

A Christian school at the heart of the community that we serve.

Achieving our goals as we are guided by God's light.

Believing in ourselves, in each other and in God.

Caring and nurturing all of God's children in our school family.

Sharing our aspirations through our exciting, enriched and inclusive curriculum.

"Therefore encourage one another and build each other up, just as in fact you are doing."

1 Thessalonians 5 Verse 11

Dear Parents

This year has seen a significant increase in the number of extra clubs run for our children, both after school and at lunchtime. On Monday, we were pleased to see our extra-curricular offer increased further with our netball club. This is a new club for the school and it has already proved extremely popular. I am grateful to Mrs Deeley for leading this for us.

The summer term is always an extremely busy one for visits and activities. This week, the children in Class 3 should have received their letter for both swimming lessons and their residential visit to Spiers Bank House. We have also finalised the dates for the Class 1 and Class 2 residential visit to Paxwold which will take place between 8th and 9th July for Class 2 and 9th and 10th July for Class 1. Further details about this visit will follow shortly.

Our school lunch menu, agreed with our School Council, has continued this week and the uptake has been really pleasing. This week, the revised meals have included beef chilli and the chicken and stuffing Yorkshire pudding wrap. Whilst we believe our meals provide excellent value for money, we recognise the financial pressures faced by families and would therefore urge any family who believes they may be eligible for free school meals to apply. This is done in confidence and provides your child with a free school meal daily. Though the children in Reception, Year 1 and Year 2 already receive a free school meal through the Government's Universal Free School Meal initiative, we encourage any family who feels they may be eligible to apply as this also allows the school to access additional pupil premium funding to support our children. Details of the eligibility criteria and how to apply can be found by visiting:-

<https://www.eastriding.gov.uk/learning/schools-colleges-and-academies/school-meals/free-school-meals/>

During the school day, we encourage the children to drink water. To support with this, we encourage the children to come to school with a refillable water bottle. We have an increasing number of children coming to school without these so please can you encourage your child to remember to bring one from home. We are happy for children to use a bottle that has previously contained another drink, for example a fizzy drink, however would request that where possible, labels are removed prior to bringing this to school. This is to avoid both confusion as to what is in the bottle and also to prevent children from competing over bottle types.

Richard Winks, Headteacher

Please see below for some of the lessons the children have been learning in class this week:

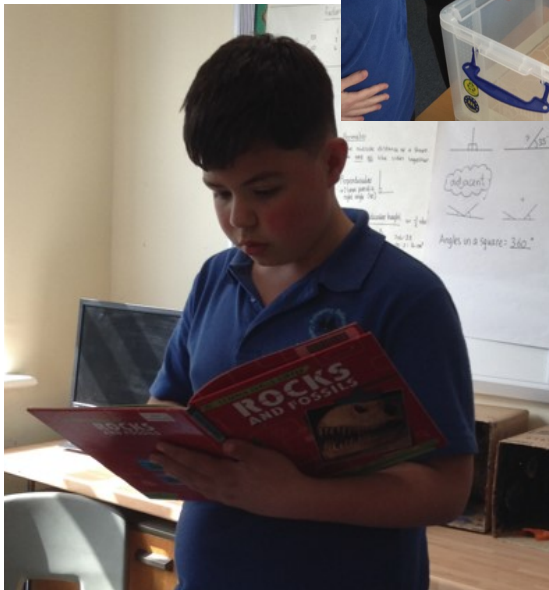

- Class 1** This week we have enjoyed learning about habitats.
Next week we are looking forward to writing recounts.
- Class 2** This week we enjoyed learning about William the Conqueror and looking at the Bayeux Tapestry.
Next week we are looking forward to work on fractions.
- Class 3** This week we have been making detailed rock drawings in science.
Next week we are looking forward to finding out about Ancient Greek life.
- Class 4** This week we have been making art installations on a smaller scale.
Next week we will be debating whether we would live in Athens or Britain.

Collective Worship Theme: *Wisdom comes in all sorts of different styles St Hild & Caedmon.*

Learning about Rocks in Class 4

Small Scale Art Installations in Class 4

This Week's Achievements

Congratulations go to:

- ★ **Jacob** for achieving the 'Player of the Match' medal for his efforts in his teams football match on Sunday
- ★ **Cass** for getting his first swimming certificate
- ★ **Ellie** for her many dancing ribbons
- ★ **Michael-Anthony** for getting a medal for his efforts in football
- ★ **Oscar** for his Parkour medal and also "Cub of the Week" trophy

OUR WEEKLY REFLECTION

Living out our school values of:

Determination, Trust, Friendship and Respect

Sporting News

Today, Kerry and Steve from the South Cave Junior Football Club delivered a taster session to girls in school who might be interested in joining a football team. Please see below for details if your child is interested.

Netball club started this week on Monday. The kids really enjoyed the session with Mrs Deeley.

Sadly our Kwik Cricket event was cancelled so we held an impromptu cricket match after school for those who wanted to stay. The kids loved the session with Miss McDonald and Mrs Holmes and are looking forward to the rescheduled event in May.

We are hoping to attend the Quad Kids athletics session, but as yet we don't have enough participants. We have extended the deadline to Monday of next week so make sure you fill in your slip or contact Mrs Johnson in the office if you would like your child to play! We are particularly short of boys (KS2 only please).

Girls in School Year 2 - 4

South Cave Sporting Girls Development Sessions

We are pleased to be launching new development sessions for girls in school year's 2 - 4.
With the hope of creating 2 new teams for the new season in September.
We are looking for any girls who enjoy being active and making new friends.
Absolutely no experience required.

 **RESPECT**

SOUTH CAVE

*We only
do
positive.*

Please note: We strictly follow specific guidance with regard to the handling and preparation of foods and hygiene practices; however, we do use a wide range of ingredients in the preparation of food and all our meals are prepared within the same kitchen. Meals, therefore, are not guaranteed as "allergen-free" due to the potential for cross-contamination during food preparation. We do, however, follow all recommended guidelines and risk assessments for the safe handling of ingredients containing allergens and preparation of food.
