Our School Vision:

A Christian school at the heart of the community that we serve.

Achieving our goals as we are guided by God's light.

Believing in ourselves, in each other and in God.

Caring and nurturing all of God's children in our school family.

Sharing our aspirations through our exciting, enriched and inclusive curriculum.

"Therefore encourage one another and build each other up, just as in fact you are doing."

1 Thessalonians 5 Verse 11

Dear Parents,

We have had lots of visits and visitors this week. On Monday, Class 4 went on a visit to the MKM Stadium. The children enjoyed learning about the stadium and even went on the pitch. The week continued to be an exciting week for the Y6 children as they had their South Hunsley induction visits. On Thursday, they went to South Hunsley as part of their transition and today they went for the Festival of Sports and Arts.

On Tuesday, the sun was shining for our sports day as we held two events. For EYFS and KS1 we had our sports morning and KS2 sports took place in the afternoon. All the children tried extremely hard in their individual races and in their house obstacle races. Thank you to all the visitors who joined us and also to the FONCS who were selling refreshments to the adults and purchased ice-lollies for all the children.

On Wednesday, we held our FONCS AGM. Thank you to all the parents and grandparents who attended. Please get in contact if you would like to know more information about the FONCS and the fundraising activities that they do.

This week, Miss McDonald and Mrs Grafton met with the families of the new EYFS starters during our 'Meet the Teacher' meetings. Then on Thursday, we welcomed our EYFS new starters for their first morning visit. The children had time in the classroom and the opportunity to play with the other children who are starting in reception in September. We also held our evening meeting for the parents of these children. This was an opportunity to share information about the school and for them to have a tour of the school.

Today, our Y5 children had a visit from Humberside Fire and Rescue Service. They discussed fire prevention and fire safety, what to do in the event of a fire and how to take care of themselves in a fire situation.

Finally, next week, we are looking forward to Class 2's worship to showcase their learning. Parents and carers are invited to join us for our two performances at 9.15 am and 2.50 pm on Friday.

Please contact the school if you have any queries.

Yours sincerely,

Sally Cawood, Assistant Headteacher

Staying safe on the Internet

The internet plays an important role in our lives and we are conscious that our children have access to this at home and at school. We regularly talk to the children about how to stay safe online and to remind them to report anything that they may see that may make them feel uncomfortable. Within school, we have a filtering system and act immediately if ever we have concerns that any content that may make the children feel uncomfortable is able to get through.

Please continue to support us with this by reinforcing our eSafety messages at home and monitoring your child's usage of the internet, particularly with search engines which, when unfiltered, can allow inappropriate material to be accessed. You will find further information on our website and by using the following link:

<https://theeducationalliance.onlinesafetyhub.uk/>

Message from the Friends of North Cave CE School

We are planning to introduce a new stall to our Summer Fair, a Pre Loved Uniform stall. If you have any uniform that your child has outgrown and you no longer have a use for, please send it in during the week of the Summer Fair.

There will be uniform for swap and sale. We will also plan to include any unclaimed, unnamed lost property left at the end of term so please encourage your child to collect anything they may have lost in the meantime.

Thank you, FONCS!

Please note: We strictly follow specific guidance with regard to the handling and preparation of foods and hygiene practices; however, we do use a wide range of ingredients in the preparation of food and all our meals are prepared within the same kitchen. Meals, therefore, are not guaranteed as "allergen-free" due to the potential for cross-contamination during food preparation. We do, however, follow all recommended guidelines and risk assessments for the safe handling of ingredients containing allergens and preparation of food.
