WEEKLY
NEWSLETTER

28th November 2024

Dear Parents and Carers,

Thank you for all of the emails, messages of support and lovely comments we received in relation to our Ofsted inspection on Tuesday. The inspectors conducted a one day inspection and are now in the process of finalising their report. We will share this with you once it becomes available.

Yesterday, we were pleased to complete the deep clean of our kitchen following works to resolve the drainage issue. Though lunches have been cooked at South Hunsley today, we hope to return to cooking within our kitchen tomorrow and to return to our normal menu and procedures next week. I remain extremely grateful to Miss Hurst, our staff team and those within the Trust for supporting us through this period.

This week, as we approach December, our nativity rehearsals have increased and the singing already sounds great! Early next week, you will receive a letter inviting you to book your tickets for this. This promises to be magical so please make the time to attend if you can!

Finally, as you aware from our last newsletter, South Cave Football Club will be conducting their foodbank collection on Saturday. If you have not had a leaflet directly from them or would rather bring a donation to school, we will happily collect these tomorrow. It would be great to support this valuable cause.

Our School Vision

A Christian school at the heart of the community that we serve.

Achieving our goals as we are guided by God's light.

Believing in ourselves, in each other and in God.

Caring and nurturing all of God's children in our school family.

Sharing our aspirations through our exciting, enriched and inclusive curriculum.

"Therefore encourage one another and build each other up, just as in fact you are doing." 1 Thessalonians 5 Verse 11

Could you be a School Governor?

We are looking for several new Governors to fill vacancies on our Governing Body. We need people who are willing to help in our school's development and contribute to decisions that can directly affect every pupil. Governors take an interest in all aspects of the school and its work and are an essential part of school governance.

Meetings are held four times a year, and training is given, so you don't need any previous experience of education or meetings. Most important is a commitment to helping our school and its pupils be the best that they can be.

We know parents are busy people and that your time is precious but your contribution can make a real positive contribution to the wellbeing of the school and its success. If you would like to find out more about the work of the Governors please get in touch via the school office and we would be very happy to answer any questions and talk informally about what the role entails.

We would be grateful if you could let us know of your interest by Friday 6th December.
