Dear Parents

Thank you for your support with our home learning this week. Next week, we will continue to provide work daily on Google Classroom for the children to complete at home. As before, the children in school will follow the same work at the same pace so all children will have access to the same curriculum as their peers.

Within school, in order to reduce the risk of community transmission, we will be moving to three pods in order to accommodate the children on site. Class 1 and Class 2 will now operate as two separate pods with Class 3 and 4 operating as a single pod. Start and finish times remain the same for each class as they were prior to school closure.

Next week, we will continue to hold daily online 'check in' sessions at the following times:-

Class 1	9.15
Class 2	9.45
Class 3	9.30
Class 4	10.00

In addition, we intend to increase the amount of 'live' contact provided by ensuring that each class receives at least three live inputs during the week in order to support their learning. This is in addition to the daily 'check ins'.

In order to allow you to plan ahead, these live inputs will take place at the following times:-

	Monday	Tuesday	Wednesday	Thursday	Friday
10.15 am	10.15 – Class 1 (EYFS) 10.35 - Class 1 (Year 1)	10.15 – Class 1 (EYFS) 10.35 - Class 1 (Year 1)	Class 2	10.15 – Class 1 (EYFS) 10.35 - Class 1 (Year 1)	Class 2
11.15 am	Class 3	Class 4	Class 3	Class 3	Class 4
1.35pm	Class 2		1.35pm - Class 4 (Year 5) From 1pm* Class 4 (Year 6)		

**On a Wednesday afternoon, the Year 6s in Class 4 will work with Mrs Winter with one group starting at 1pm and a second group starting at 1.30pm. Exact starting times will be on Google Classroom.*

Start times for our lessons have been staggered in order to ensure that only one class is online at any particular time in order to help those families with more than one child.

Lessons will typically involve a 'live' input followed by a period in which the children complete a given task. The children will then be brought back together online for a plenary. Staff will make you aware of the focus of the live input through Google Classroom and this will ensure that children complete the focus work following the input and are able to pace their work throughout the day.

As before, a link will be provided shortly before each lesson on Google Classroom. The children's microphones should be muted at the start of the session with the cameras turned off.

Should you need any support during this period or have any questions, please feel free to contact the school either directly through Google Classroom or through the email addresses below:-
