**Tuesday 12<sup>th</sup> January 2021**

Dear Parents

Thank you to all of the parents in supporting us in getting the children into 'live' sessions yesterday. Most children learning at home were able to access these successfully. In order to allow the children working from home daily 'live' contact with an adult in school, we will tomorrow be launching daily 'check ins' through Google Meet. These are an opportunity for an adult in school to explain the work for the day and answer any questions the children may have. These will take place at the following times:-

Class 1	9.15
Class 2	9.45
Class 3	9.30
Class 4	10.00

As before, a link will be put on Google Classroom shortly before the 'meet' is due to start. As we are aware that all of our classes contain siblings, we have ensured that each class has a different start time so that classes are not accessing 'live' activities at the same time.

Staff are continuing to work extremely hard to provide both learning in school and remote activities at home. For this reason, it may not always be your child's class teacher that leads the daily check in.

As we move forward, we will begin to provide more 'live' learning through Google Meet and it is important that children at home attend these in order to access the same learning as their peers. Again we will try to ensure that these are scheduled so that classes are not providing live activities at the same time. At the end of this week, we will provide you with the times of the live sessions for next week.

As far as we are aware, all children now have access to remote technology in order to access these sessions. Please contact the school as soon as possible if you are unable to do so.

Thank you for your continued support.

Yours sincerely

Richard Winks
