 @NorthCavePS

Dear Parents,

We are pleased that the work to our grounds and buildings is nearing completion and today has seen turf put down on the areas previously containing our tyres and climbing frame. Once complete, this will give additional spaces for the children to play at the front and rear of the building. We are hoping that work to the roof will be completed next week and once this is done, we will be able to return to using our usual access points to the building for Class 3 and Class 4.

Earlier this week, we were pleased to welcome Reverend Worsdale to the school to lead collective worship for us. We are pleased that we are now able to confirm the date of our Harvest Festival to which parents are invited. This will be held at All Saints Church on Thursday October 6th at 10.30am. Further details about this will follow.

Today, a group of children from Class 3 and 4 visited Hull for a 'Rainbow Run'. We are proud of the sporting opportunities that we offer to our children in their time at the school and always look for opportunities to take part in events alongside other schools. Our aim is that every child who wishes to take part in a sporting event alongside other schools will have opportunities in their time at the school to do so.

Next week, the children in Years 4 and 5 will be taking part in the residential visit to Spiers Bank House near Pickering. This is a rearranged visit from the summer term and the children and staff are very much looking forward to this. The children will be taking part in two groups, with Year 5 visiting for the first half of the week and Year 4 visiting for the second.

Over the next couple of weeks, the children in Reception will be taking part in the statutory baseline. The children do not need to prepare for this and it will be administered by Miss McDonald. Last year, the children enjoyed taking part in this and saw it as a special activity with their teacher. Further information on the baseline will be sent to parents today.

Yours sincerely,

Richard Winks
